A PREDICAMENT.

"O, women are the strangest things  
There are beneath the sun;  
Although I know that very well—  
I mean to marry one!  
But which one is the question, for  
I don't know what to do;  
Although I mean to marry one—  
I am engaged to two!  
The situation surely is  
As trying as can be;  
Although I am engaged to two—  
I am in love with three.  
And then there is another fact  
That troubles me still more;  
Although I am in love with three—  
I am beloved by four!"  
—Smart Set.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

If you have a Diamond want I will guarantee to save you money. See my stock before buying a Diamond or Watch. We are leaders in everything in our line.

P. J. MURPHY, the Jeweler.

Saturday Mr. H. M. Craycraft, while passing the woods of Miss Parry near Mayfield, shot and broke the wing of a bald eagle that measured seven feet and three inches from tip to tip of wings. The bird weighed eleven pounds, and is a fine specimen of the American eagle.

Sergeant Elijah Clark of Troop D, Fifteenth United States Cavalry, now stationed at Fort Ethan Allen, Vermont, is home on a three months furlough visiting his parents, Mr. and Mrs. James Clark of Casto street. Mr. Clark has been a soldier for five years past, three of which he spent in the Philippine Islands.

A most interesting series of meetings are in progress at the First M. E. Church, South, with two services daily, in the afternoon and evening. The Rev. U. G. Foote of Lexington, who is preaching, is a scholarly gentleman, with a fine delivery, and holds his audiences in rapt attention throughout his discourses. Since Monday the congregations have more than doubled, and much good is expected to be the result of the excellent services.

The remains of Miss Eliza Orr arrived here yesterday afternoon from Connelleville, Pa., and were taken direct from the C. and O. Station to the cemetery, where, after the burial service of the Episcopal Church was said by the Rev. George H. Harris, they were laid to rest on the family lot. They were accompanied by Mrs. Lucy Lowry and Mr. T. G. Kincaid of Connelleville, Pa., Mrs. S. N. Meyer and Mr. and Mrs. W. T. Orr of Cincinnati.

Tuesday night there was a stoppage in the gas main at the corner of Third and Bridge streets and consumers East of that point were in utter darkness, so far as gas light was concerned. Of course the electric arc lights were in perfect order and furnished the usual amount of light for street purposes; it was only families where gas was used that were discommoded. Mr. Levi Stevens, the competent manager of the gas plant, had his force yesterday rectifying matters.

MRS. ANNA MOFFETT.

Mrs. Anna Moffett, born in this city June 29th, 1831, died January 3d at the home of her daughter, Mrs. W. B. Anderson, at Lancaster, Texas.

Deceased was formerly Miss Anna Jacobs, a daughter of Lewis Jacobs, and among her relatives in this city are Mr. Charles H. Frank and Mrs. Ella Calhoun.

She was married June 5th, 1851, to Dr. Henry J. Moffett, located in Texas in 1855.

Surviving her are six daughters and one son, her husband preceding her to the Great Beyond in 1889.

Mrs. Moffett's death was the result of a stroke of paralysis which she suffered in July last.

Miss Babe Lamb of West Third street is recovering from a severe cold.

Mr. Peyton Wheeler, who has been quite ill, is decidedly better this morning.

Yesterday was the eleventh anniversary of the marriage of Mr. and Mrs. Larry Langefels.

Mr. John Case has taken charge of the Murphysville school during the illness of the regular teacher.

Miss Mary G. Clark of East Front street has been indisposed for the past several days, suffering with a cold.

The funeral of the late William Stiles at Germantown yesterday was largely attended. Those who acted as pall-bearers were ex-Sheriff James R. Roberson, Circuit Court Clerk Isaac Woodward, James Finerty, Andrew Clooney, Robert Thompson and Mr. White. He was buried in the family lot in the K. of P. Cemetery.

## SOCIAL EVENTS

Mrs. C. M. Plister of Limestone street entertained the Nomad Club yesterday afternoon.

Mrs. John M. Hunt of East Fourth street will entertain the Euchre Club tomorrow afternoon.

Mrs. Clarence L. Wood of Front street will give a social on Saturday afternoon to the members of the Nomad Club. That it will be a delightful affair is assured from the fact that Mrs. Wood is hostess.

## MORE LIGHT

Arc Lamp Wanted in West Front Street at Elks Home

It is a pity that Front street, between Market and Sutton, is not the domicile of a member of the City Council, for it is a certainty there would be a holy howl raised for an arc light in front of the Elks Home.

Between the two points mentioned it is dark and dismal, notwithstanding the lights at Market and Sutton.

This is a much traveled thoroughfare from the fact that the trains stop here.

The two alleys located in the vicinity afford a good hiding place for all classes of dissolute characters, and while nothing serious has as yet happened, ladies passing without escort are in danger of being insulted.

If there is one place in the city more than another that should be well lighted, it is right here.

It is a matter of fact that our City Dadr, while careful in what they do, endeavor to do the best they can for a measure that is needed and essential to the public at large, and by placing a light there would meet with approval of all.

## EVANGELIST WILLIAMS

Has Crowded Houses Yesterday, Afternoon and Evening

Mr. Williams gave an expository sermon from the 103d Psalm yesterday afternoon, in which he said there are no half-hearted Christians; they are either whole or none. We fail to appreciate the benefits of God, such as the open Bible, Sunday-school, Church, family prayer-meeting. We do not appreciate health till we are sick, riches till we are poor, sight till we are blind. God forgives all sin, does not pardon on the installment plan. God is on the side of the oppressed. In the war between capital and labor God will undertake for the one that is oppressed. Christ spent his time on earth looking for the lost, the stray, the oppressed, and if you want God to bless folks oppress them. God is "slow to anger," slow in getting there, but He reaches it sooner or later. "He will not always chide," an awful day when He ceases to chide a soul. God has mercy for sinners, but his mercy is limitless toward them that fear Him. He plies the sinner, but there is no limit to His pity toward them that fear Him.

A full house heard him last night on "The Ministrations of Angels."

Subject this afternoon, "About My Father's Business," tonight, "The Books Opened."

What's going to happen next? Saturday's Times-Star failed to have a "special" from its Owingsville Liar.

Just when I thought the Secretaryship of the Treasury was nailed down good and hard, TEDDY asked Mr. SHAW to hold on till March 4th, 1907; and he has agreed to do so. Oh, pshaw!

His name is J. M. ALVERSON, and, shame to it, he represents Lincoln county in the Legislature. It is Mr. ALVERSON who wants the people to pay \$10,000 for statues of GOEBEL and CLAY in the Hall of Fame! That's enough to make HENRY CLAY's bones turn over in the grave.

YESTERDAY was the 200th Birthday of BENJAMIN FRANKLIN the old-time Printer, and only the 66th for The Ledger Man. BEN. had some advantage by getting an earlier start in the world; but I wouldn't swap this age of Trusts, telegraphs, telephones, railways, automobiles, moving pictures, ninety-six-thousand-an-hour printing presses, type-setting machines, et-cetera, for all the sights of Boston when BEN. worked in the soap foundry there. And then he never saw a Maysville street, or our rural Postoffice, and never knew any of the lovable people of this good old town, who write nice letters and send pretty flowers and "sum'thin" to fellow every time he is born some more! Well, BEN. is dead—has been dead, lo, these years!

AND now the word comes from across the water that the world powers are on the eve of war. Children, children, keep quiet; if you don't, Uncle Sam will take you by the scruff of the neck and the seat of your pants and pitch you into the scrap pile.

HERE'S another case of Before and After Taking. As an incentive for farmers to join the late Burley Tobacco Growers Association, it was paraded as a fact that if the movement failed the Trust wouldn't pay more than 3 or 4 cents a pound for tobacco. The movement failed, as all know; and now comes this "After" clap from one of the hotbeds of the Trust Busters—

MT. STERLING, KY., January 13th—The prices now being paid for tobacco in Central Kentucky have greatly elated the raisers. At least 7,000,000 pounds have already been sold and delivered in Montgomery county at prices ranging from 8 to 10½ cents. Raisers are easily disposing of their crops at 7½ to 12 cents.

At the meeting of the Municipal Voters League in Chicago last week, Mr. LAFON ALLEN of Louisville drew this picture of elections in that city—

"We have the best election laws and the worst possible elections in Louisville. Our political machine is a specialist in stealing elections and such a thing as an honest election is unknown in Louisville. We have no confidence in our criminal Judges. It is impossible in our city to have a man convicted for stealing an election. The time has come when the good citizens of our city must act, and I would not be surprised to see at the next election 2,000 young men go to the polls armed with shot-guns to enforce their rights."

With such a brand of politics on tap in Kentucky, is it any wonder that honest immigrants shun the state?

ONE ON THE OLD MAN.

"Old Gotrox put his son into his iron foundry to learn the business thoroughly."

"How is he doing?"

"Great. Before he had been there a week he joined the Union, got elected Walking Delegate, and now he's giving orders to his old man."

## Care Counts

The issues of life and death depend on the potency of a drug sometimes—oftener than we are apt to think. When your physician prescribes a remedy he expects certain results. If the remedy supplied be lacking in purity or strength it may fail in its purpose.

We think of these things. We take care to see that every drug we use in prescriptions is absolutely pure and of standard potency. We are careful about the compounding also. We have had ample experience, and can assure you that if you permit us to compound your prescriptions you can feel secure about them.

## LOOK AT THE OTHER SIDE

Total Abstainer Has Something to Say About the Lid

Cincinnati Commercial Tribune.

As one who is a total abstainer, who does not go to baseball games on Sunday or any other day, and who does not go to the theater—except occasionally to the German Theater—on Sunday, permit me to say a few words anent the "lid."

I can see no difference between him who takes a drink at the bar and those who get it out of their ice chests or take a surreptitious nip out of the bottle, and, therefore, I do not see why the man who sells the drink over the bar should be punished and the drinker go free.

It seems to me that as long as the drinker is not disturbing or harming anybody it is nobody's business where or when he drinks. It is when he is liable to harm or disturb others that restrictions are indicated.

It would seem as sensible to have shut up all the Churches several years ago because the members of "God's Bible School" annoyed the neighbors as to shut up all the saloons because some of them are disorderly.

Our present system of taxing saloons puts the good, bad and indifferent all in one class, makes the orderly suffer with the disorderly and does not give us a proper control over them. The Boston method seems more sensible. There the number of saloons is limited and each one is licensed. The result is that there are always several who want to start saloons who are watching to find some one violating the provisions of the license so that it may be revoked and they get it. It is automatic in its action. With such a system it would be possible to prevent the selling of liquor to minors and drunken men and to close disorderly places.

Prohibition is too much like the admonition of a woman to her children to not get the beans out of the bag in the hair trunk in the attic and put them in their noses. Of course she was horrified to find each child with a bean in its nose when she returned.

The wide dissemination of the facts in regard to the evil effects of alcohol used as a beverage would be more efficacious. If it were generally known that men who have taken only one drink

a day and have never been drunk have died of delirium tremens there would be less drinking.

The contention that because the Nation tries to suppress polygamy in Utah the state must require Sunday to be observed the same by all its citizens is not reasonable. If a part of the state has the right to exclude saloons, may not a part of the state be given the right to say whether they should be open six or seven days in the week?

As to Sunday amusements. We do not all have the same standards or capacity for pleasure. Some get pleasure out of "Bacon's Essays," others out of Mark Twain's "Innocents Abroad," and still others out of the doings of some of the characters in your colored Sunday supplement. Must the man who will not read "Bacon's Essays" be deprived of the Sunday supplement?

There is so much unhappiness in life, so much care and worry and anxiety, that it would seem the height of selfishness and narrow-mindedness to prevent others enjoying themselves and forgetting their troubles for one day simply because their way is not our way. Be charitable. As long as your neighbor is not disturbing you, let him get all the happiness and pleasure he can get out of life. His standard may not be yours, and yours may not be any nearer right than his. Very respectfully,

WILLIAM D. KEMPTON.

Have you farms, houses, timber land, bonds, stocks or land notes that you wish to sell? I can find you a buyer if you make the price right. Any one wishing to buy any item mentioned above will find it to his interest to give me a call.

JOHN DULEY.

There will be no interruption in buying of the American Tobacco Company, occasioned by the death of Mr. William Stiles. Farmers having their tobacco ready for delivery will please communicate with the American Tobacco Company at Maysville. Mr. John Thomas will call to see them as rapidly as possible.

Worry is the mother of sick, nervous and troubled mentality, upsets the entire physical system. The body is a network of nerves. Hollister's Rocky Mountain Tea soothes and rebuilds the entire system. 35c Tea or Tablets. J. Jas. Wood & Son.

The Government awarded D. Hunt & Son the contract for covering the Postmaster's office with insalid linoleum, as theirs was decidedly the lowest bid, not only among competing Maysville merchants, but Cincinnati firms as well.

Rev. William Phillips will preach at Bethany next Lord's Day at 11 o'clock. The public is invited to hear him. The Ladies' Aid has been organized at this place, which meets every Wednesday afternoon.

Yours for Health  
Lydia E. Pinkham

Deranged organs, causing pain, weight and backache, instantly relieved and permanently cured by its use. Under all circumstances it invigorates the female system.

It quickly removes that beating-down feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, dizziness, faintness, sleeplessness, flatulency, melancholy or the "blues" and headache. These are sure indications of Female Weakness, or some derangement of the organs, which this medicine surely cures. Chronic Kidney Complaints and Backache, of either sex, the Vegetable Compound cures. Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want—a cure. Sold by Druggists everywhere. Beware all substitutes.

## Some People Think

That the time to buy an Overcoat is in the month of August, but such is not the case. The time to buy an Overcoat is NOW. The reason for this is we get to use the money in paying for spring purchases, turn the money over several times between now and August, while late in the year we can hold the Overcoats just a few weeks longer and then get the regular price, especially when they are new, staple garments.

We are selling RIGHT NOW Overcoats and Winter Suits at a reduction beyond measure. The more particular you are the more you will appreciate our smart clothing. If you'll come and take the pains to examine it closely, you'll find it stands heads and shoulders above all makes in style and quality, price considered.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. ### "MY OLD KENTUCKY HOME!"

The Beautiful Song That is Sung at Home and Abroad

MY OLD KENTUCKY HOME, GOOD NIGHT.  
The sun shines bright in the old Kentucky home;  
The corn tops' ripe and the meadow's in the bloom.  
While the birds make music all the day,  
The young folks roll on the little cabin floor,  
All merry, all happy and bright;  
By-and-by hard times comes a-knocking at the door;  
Then, my old Kentucky home, good night!

Chorus.  
Weep no more, my lady,  
O, weep no more today!  
We will sing one song for the old Kentucky home,  
For the old Kentucky home far away.

They hunt no more for the 'possum and the coon  
On the meadow, the hill and the shore;  
They sing no more by the glimmer of the moon,  
On the bench by the old cabin door.  
The day goes by like a shadow o'er the heart,  
With sorrow, where all was delight;  
The time has come when the darkeys have to part—  
Then, my old Kentucky home, good night!

The head must bow, and the back will have to bend,  
Wherever the darkey may go;  
A few more days, and the trouble all will end,  
In the fields where the sugar-canes grow.  
A few more days for to toil the weary load,  
No matter; 'twill never be light;  
A few more days till we totter on the road—  
Then, my old Kentucky home, good night!

—Stephen Collins Foster.

### BOGGS.

Our school closed Monday.  
Milton Applegate and family have moved to Illinois.  
Jake Applegate has bought the George Politt farm.  
Mr. P. C. Henderson is now our Magistrate and we think he is a good official.  
The Ladies' Aid Society of Ebenezer Church will meet Thursday with Mrs. Cora Boggs.  
Mr. Frank Gidding and family and Mr. and Mrs. Robert Gidding will leave this week for Louisville, Ind.  
Mercurius Mower, who was working in Cincinnati, died of pneumonia. He was brought home at Maysville, where he died Friday. Remains were brought here Saturday for burial in Ebenezer Cemetery.

To correct a recent statement in THE LEADER we will again say that Roger Potts and family have moved from Nicholas county to Clear Creek, near this place.

This section of Lewis county seems to have no interest in Circuit Court proceedings at Vanceburg this week, or any other week as to that, if we do pay more taxes than any other part of the county.

### SPRINGDALE.

Messrs. Jack Hendrickson and John Trumbo of Tollesboro were here Monday.

Mrs. Sara Smith has returned from a two months visit with her sister, Mrs. Nancy Cantrell, at Paris.

The storm Monday evening was terrific in this section. A new barn was partially destroyed for C. C. Degman. Mr. B. F. Hook lost a favorite pear tree, broken off near the ground, with small onthidings, fodder, hay, &c., &c., confusion all around.

Mr. Green Halfhill has removed with his family to McCoy in Greenup county. This adds another to the fine Republican vote of the mountain county; so what is Mason's loss is Greenup's gain and helps to insure a Democrat from the proposed new district of Mason, Fleming and Bracken.

Forty years ago, while soldiering, Mr. James Drake had his feet frozen. They have been in bad shape all these years. This winter they are much worse and his friends fear amputation will be necessary.

Our Rural Route is an educator. People who seldom heard the news are now subscribing for the daily paper. How does this report for the last quarter compare with other routes in the county?

Stanley Willett, foreman of the C. and O. yard crew here, has received another promotion. He is now a brakeman on a local freight between Covington and Russell. This is the fourth promotion Stan has received in the past four years.

Yesterday noon there was another break down of the streetcar wires at the corner of Third and Market. It was not long until Manager Holliday had things in ship-shape. While the live wires were lying on the ground, a colored man driving a coal cart came along and would have recklessly passed right over the wires had he not been admonished not to do so. It was a case of where ignorance is bliss; he was ignorant of the danger he was courting.
